**Do superfast  
business with  
superfast broadband  
– available now to  
Greater Birmingham  
businesses through  
a FREE £3,000  
connection voucher**

**Businesses across Greater Birmingham are taking advantage of superfast broadband, helping them grow, reach out to new customers and markets and changing the way many of them do business.**

SMEs like your own are already seeing the benefits on their bottom line.

To help you get up to speed we'll give you a free grant (called a connection voucher) worth between £100 and £3,000 to connect to superfast broadband – all you'll pay is the line rental and VAT.

Visit [digitalbirmingham.co.uk/faster](https://digitalbirmingham.co.uk/faster) to find out more about the connection voucher and how it is already benefiting Birmingham businesses.

**Why superfast broadband was a no-brainer for 470 Media**

Superfast broadband gave 470 Media, a Jewellery Quarter-based digital marketing agency, the bandwidth to transfer huge files to clients in minutes that previously would take a whole day and freed up time to grow their client base.
